TASAIR

MEADOWBANK

Tasair and Meadowbank Wines have joined forces to bring you the ultimate Tasmanian wilderness and wine experience.

The scenic flight will take you through Tasmania's spectacular south west, landing on the beach at Cox Bight for morning tea. You'll get a bird's eye view of Federation Peak and the Arthur Ranges, Lake Pedder and Mount Anne.

Then you'll fly up to Meadowbank's sprawling vineyards in the Derwent Valley, where you can linger over a luscious and lavish feast prepared for you in the Meadowbank Estate kitchens, complete with a bottle of your choice of Meadowbank wine.

When we finally convince you to get back in the plane, we'll show you the majestic Derwent Valley from the air, before returning to Hobart...

Or we can tailor a package to suit you.
